

Summer Seals Insider

Seals Have a Great Time Learning about Transportation

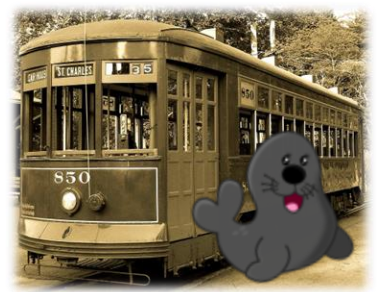

On Thursday, June 29th the Summer Seals had the chance to visit Hershey and see many exciting things at Chocolate World. Seals got to learn more about Milton S. Hershey as they toured through downtown Hershey on a trolley. The trolley ride was complete with assorted chocolates!

Summer Seals making chocolate!

During the trip, the Summer Seals were lucky enough to make their own chocolate bar. They had their choice of type of chocolate for the base, up to three toppings and if they wanted sprinkle or not. The Seals had a blast watching their candy bars be made. They even got to design the wrapper for their finished bar!

Our first field trip was a huge success with a day packed full of learning and fun. After a quick photo op, we headed back to the Grove! Thank you for supporting such fun outings for the Summer Seals!

June 26th – July 6th

Summer Seals Looking Ahead

- July 12 Pool Day
- July 13 Crayola Factory
- July 19 R.B. Winter
- July 20 Car Wash & Rotary Lunch
- July 27 Celebration & Graduation

Mustard Seed Clothing Drive

Each year many different community businesses help to support the Summer Seals Camp and we are so grateful for their contributions! To show our appreciation, we will again be collecting lightly used clothing for **The Mustard Seed**. We will be accepting donations at Seals Camp headquarters located in the intermediate school. Clothing may be dropped off between 8am and 3pm Monday through Thursday until **Thursday, July 20th**. Thank you again for all of your support for our community and for this worthy cause!

A Special Thank You!

Summer Seals would like to give a big thank you to our donors for their generosity and continued support of Summer Seals Day Camp and for making these special moments grow and succeed for 17 years!

- Weis Markets
- SRS Electric LLC
- Heister House Millworks Inc.
- Northumberland National Bank
- The Light Barn

Summer Seals on the back of the fire truck.

Ryan was excited about his Reese's treat on the trolley!

Summer Seals Learn about Community Helpers

During the unit on Food, Community, and Culture the Summer Seals had the opportunity to learn all about volunteer fire fighting from Richfield Fire Company. The volunteer firefighters allowed students to check out their fire truck, try on their gear, and explore the tech tools used to communicate during a fire rescue.

Turning our focus to the kitchen, campers enjoyed a creative lesson on food. Inspired by our favorite foodie shows campers created their edible masterpiece to be judged by a special panel of judges.

Austin with his food creation.

Student Corner

What did you learn on the trolley ride through Hershey?

I learned that it took Mr. Hershey several tries to be successful.

Ryan, 3rd Grade

I learned that Mr. Hershey had several different houses.

Sophia, 4th Grade

I that Mrs. Hershey (Milton's mom) helped make Hershey Kisses.

Joey 5th Grade
