

Summer Seals

Insider

Blasting Into Space and Fun in The Sun

The Summer Seals have had three fabulous days in the sun this summer at the Selinsgrove Pool! The Seals had fun going down the slides, swimming, relaxing and playing with their peers, teachers, and directors at the pool.

Summer Seals have a good time making a splash at the Selinsgrove Pool

The Seals will end their unit with a special trip to The Franklin Institute on the 25th. During this trip students will explore a space museum and watch a thrilling space documentary. Campers are looking forward to connecting their space knowledge to the trip!

The Summer Seals wrapped up their second unit about space! During this unit, students became space experts by going through astronaut training, diving into a space portal, creating space slime, reading, and learning about constellations, and so much more!

Mustard Seed Collection
Thank you to everyone for your generous donations to the collection for the Mustard Seed! We received so many items and the Summer Seals were greatly inspired by your kindness and compassion. These types of community outreach activities help them to learn important lessons about the power of teamwork and the impact that each of us can have on the lives of others. Thank you again for all of your help and support!

Join Us For Our Graduation & Celebration!

Summer Seals Camp is moving along so quickly and we know that it will soon be time for our camp experience to end! As we celebrate this important milestone for our students, we hope that you will join us for the graduation and celebration activities! It will be an evening of recognition, refreshments and special remarks from our students, teachers and directors. We are looking forward to seeing you at the Selinsgrove Area Intermediate School beginning at 5:00 PM on Thursday, August 4th! More information coming home with your camper!

A Special Thank You!
Summer Seals would like to give a big thank you to our donors for their generosity and continued support of Summer Seals Day Camp and for making these special moments grow and succeed for 16 years!
Weis Markets
The Light Barn
Selinsgrove Dental Arts
National Beef
Herring, Roll & Solomon, PC

Summer Seals will be hosting their annual car wash on July 28th from 12:00-2:00 behind the Intermediate School! Donations of any amount are welcomed and greatly appreciated! If you are able, please come join us for a day in the sun and support our happy campers as they wash your car!

July 11 - 21

Student Corner

If you were an astronaut, what is the first thing you would do in space?

I would float because there is no gravity.

Kenzie

I would fly to the moon and see it up close!

Madison

I would take a nap in space.

Makenzie
