

# Summer Seals

## Insider Success at the Annual Summer Seals Car Wash!

The Summer Seals learned many important lessons in teamwork and service to the community while working at the Annual Summer Seals Car Wash on Thursday, July 28<sup>th</sup>. The Seals enjoyed being outside in the beautiful weather and worked in teams to wash

cars, trucks, mopeds, and fire trucks, to earn more than \$650.00 to help supplement summer camp opportunities! Each team had certain tasks to do such as washing, drying, and holding posters and signs. Each of the students put forth their best effort and helped each other. The success of the car wash throughout the last several years is

due in large part to the help and support of parents, sponsors, and community members who donated supplies, brought their cars to be washed or just spread the word. Thank you so much for continuing to support this yearly camp event!

## Thank you!

Thank you for following the progress of the Summer Seals throughout their camp journey, whether it was by reading about their experiences, checking out our group page on Facebook, spreading the word about the program, or attending camp events! We are able to provide these enriching opportunities for students because of your support and commitment to our community!

## Our Memories at Summer Seals Camp

Campers greatly enjoyed having lunch with several Rotarians before cooling off at the car wash in the afternoon. This has become a cherished annual tradition for everyone! As Summer Seals Camp comes to a close, students reflected on all of the great experiences that they have had with their friends and teachers.

The Summer Seals had lots of fun during their final days of camp for this year! They spent some time exploring animals at Lake Tobias. Summer Seals got to witness all they have learned in their land unit firsthand. We saw a reptile show, petted giraffes, goats, alligators and more!
