

Summer Seals

Insider
Seals Make a Splash at The Annual Summer Seals Car Wash!

The Summer Seals had fun in the sun, and practiced teamwork and service to the community while washing cars at the Annual Summer Seals Car Wash on Thursday, July 20th. The Seals enjoyed working, laughing, and making memories together on a gorgeous summer day!

Students worked in groups to spray, wash, and dry the cars of their friends, family, and community members. Together, they earned about \$960.00 to help supplement summer camp opportunities! Throughout the past several years, this day has grown to be a huge success for the camp. We graciously thank parents, sponsors, and members of our community for our success.

Prior to the car wash, campers had the opportunity to enjoy lunch with a few Rotarians! We really enjoyed getting to know them, and sharing our favorite parts of the summer with them as well. We would like to extend our thanks for joining us!

July 2023

A Special Thank You!

Summer Seals would like to give a big thank you to our donors for their generosity and continued support of Summer Seals Day Camp and for making these special moments grow and succeed for 17 years!

The Mustard Seed

Students... for your hard work and enthusiasm!

Parents... for your support and dedication!

Teachers & Volunteers... for putting your hearts and minds into every minute of camp!

Directors... for your tireless efforts and boundless energy!

School Staff & Administration... for your patience, compassion, and guidance!

Camp Sponsors... for your generosity and care for the community!

Board of Directors... for your leadership, guidance, and dedication!

Thank you!

Thank you for following the progress of the Summer Seals throughout their camp journey, whether it was by reading about their experiences, checking out our group page on Facebook, spreading the word about the program, or attending camp events! We are able to provide these enriching opportunities for students because of your support and commitment to our community!

Sweet Memories Around Our Community

Alongside our trip to Hershey this summer, campers also got to visit the Crayola factory, R.B Winter State Park, and a hometown favorite, Knoebels! Each trip was filled with experiences we will never forget. Additionally, each of these trips tied into our community theme as we got to explore our local greatness

At the Crayola factory, campers made fun creations with melted crayons, and watched the manufacturing process! R.B Winter was filled with a water exploration led by Dr. David McLaughlin, and some beach time! Lastly, Knoebels was a great day in the sun enjoying time with friends at a popular PA destination! We are one lucky crew!
